PERSONAL STATEMENT

I am a near-graduate in Bachelors of IT (completed in June) at Otago Polytechnic, pursuing a developer role at a friendly and motivated company. I am a highly enthusiastic individual who goes the extra mile in the work place, and pride myself on being able to learn new skills quickly and effectively. I am very friendly and empathetic towards others and I believe motivating those around me is the best way to lead any project to success.

SKILLS

WORK EXPERIENCE

Tutorial Assistant & Peer Tutor (C# – Object Oriented Programming)

Otago Polytechnic | Dunedin | 2019

- Assisting programming students:
  - Build interactive, event-driven GUI applications using pre-built components
  - Understand basic principles of object-oriented programming i.e. good class design, problem analysis, encapsulation, inheritance and polymorphism
  - Apply good programming practices i.e. code commenting and version control
- Additionally, I am tasked with:
  - Tutoring programming students during lunchtime sessions every week
  - Peer tutoring individual students outside of class time

SAP Goods Receipt Clerk & Grocery Clerk

New World Gardens | Dunedin | 2013 – 2019

- High level of prompt and friendly customer service
- Occasional supervising & training of staff
- Administration of invoicing purchase orders
- Inventory management including adjusting quantities, price discrepancies
- Responsible for ensuring stock levels are maintained
